You are kindly requested to send the review by mail to [gabriela.onuskova@upjs.sk](mailto:gabriela.onuskova@upjs.sk) and in writing (in two counterparts) in a maximum of 4 weeks after receiving this document to the following address: The Department of Scientific and Research Activity and Doctoral Study of the Faculty of Arts of the Pavol Jozef Šafárik University in Košice, Šrobárova 2, 040 59 Košice, Slovakia. In case you are unable to complete the review, I kindly ask you to inform me about it in writing in a maximum of 1 week after receiving this document. Please find an exemplar of the dissertation thesis.

The review consists of an objective and critical analysis of pluses and minuses of the dissertation thesis, it is short and does not repeat its content.

The review should be divided into several parts considering:

- a) Recency of the chosen topic.
- b) Methodology.
- c) Fulfillment of the stated hypothesis.
- d) The extent of scientific discovery.

- e) Possible continuity of the achievements.
- f) The final proposal of ***awarding/not awarding*** of the academic degree philosophiae doctor (PhD.). The review is regarded as incomplete without this statement.

The technical qualities, comments, notes and questions should also be taken into consideration and added to the review.

I am grateful for your cooperation.

Sincerely yours,

prof. PhDr. Oľga Orosová, CSc.
